ASCIP Student Injury Medical Coverage Program FAQs

Why is the student's school district providing student injury insurance?

Many health insurance plans have high deductibles and plan limits that leave parents with medical bills resulting from an unexpected student injury. This **excess** policy, provided by the district, protects students and families from the costs associated with school-time injuries.

Who is AG Administrators?

AG Administrators manages the student injury medical coverage program for the district. You will submit all claims to AG Administrators. AG will make sure to that all claims are complete.

Does primary insurance always have to pay first?

Yes. Medical claims must always be submitted initially to the primary insurance policy. Any remaining balance of expenses not covered by your primary will be submitted to the excess student injury policy. The policy will cover the remaining balance of eligible expenses up to the plan maximum.

Does the student injury medical coverage pay for up front out-of-pocket expenses such as co-pays and deductibles?

Yes. These charges can be submitted to the student injury medical coverage policy to provide reimbursement for out-of-pocket expenses.

What documents are needed to process a claim?

The following documents are needed to properly process a claim:

- **Fully completed Student Injury claim form** available through the district's administrative office.
- **Itemized Bill - called Fifteen Hundred or UB form samples shown on pages 3-5**. This can be obtained through the provider. **DO NOT SEND** cash receipts, or past due statements for claims processing or payment. An **itemized bill shown on pages 3-5** (Fifteen Hundred or UB form) contains the following information:
 - Provider's Name, Provider's Address, Tax ID Number
 - Date(s) of Service, Type of Service(s) Rendered including CPT and ICD-9 Codes
 - The Fee for Each Procedure
- **Primary Insurance Explanation of Benefits (EOB)** - you should receive a copy of this from your primary insurance carrier.

Where do I send all of these documents?

Please send all claim forms, itemized bills, primary EOBs, other insurance information and claims correspondence to AG Administrators:

PO Box 21013
Eagan, MN 55121
Phone: 800-634-8628
Fax: 610-933-4122
Email: claims@agadm.com

What insurance information do I have to give a provider?

When you go to hospital, Doctor's office, PT clinic, etc, you must remember to tell them you have secondary insurance through your district/ schools student injury insurance policy. Instruct the provider to bill your primary insurance first and then send the primary EOB and the **itemized bill** to AG Administrators. If you did not submit the secondary insurance information upon your first visit, please call the provider and submit the secondary insurance information to them. If the provider bills the school's student injury medical coverage directly, this will prevent a balance due statement from being sent to the student/parent.
